Small Schools Invitational 2022

Dear Coach/AD:

It is my pleasure to invite you to the twelfth annual Small Schools Invitational hosted by Calvin Christian High School. We will hold the meet again at **Escondido High School** on their beautiful all weather tartan track and stadium. The meet will be held on **Saturday, March 26, 2022**. All events will start at 10:00, coaches meeting at 9:20 AM, and the meet will be finished at around 5:00 PM.

The meet is for small schools only, with enrollments of 1000 and less. There will be a Frosh/Soph division in ALL events. If you have a freshman or sophomore athlete you would like to compete in the varsity division instead of F/S, enter them in Varsity for ALL of their events. But make sure you choose the F/S division for your younger athletes you want in the F/S division when you enter them. Meet administration will not override your entry if you enter a Freshman or Sophomore in the Varsity division. We will award custom medals to the top 4 place finishers for both boys and girls in the Varsity and Frosh/Soph divisions for all individual events, and for the winner only in relays for each division.

The entry fees are \$15 per athlete to a maximum of \$360 total per team. If you bring 24 or more athletes, your entry fee is limited to \$360/team (including boys AND girls).

I have included meet specifics in the flyer. Entries will be done online at Athletic.net. If you have further questions please email or call the contacts listed in the meet information. If you will attend this year's meet, please fill out the enclosed contract and email it to Coach Nash. You also need to add the meet to your schedule on Athletic.net immediately so we know to look for your contract and entries. If you are unsure of your entry numbers you can wait with the check until we get closer, but please email the contract to Coach Nash and add it to your schedule on Athletic.net as soon as possible. After entering your athletes on Athletic.net, please mail a check to Calvin Christian School at the address below. If you know you will have 24 or more total athletes, please mail your check for \$360/team immediately. Please note in the meet information the limitations on sprint entries based on your team entry size.

We look forward to hosting you all again for a great Small Schools Invitational!

Races are all seeded based on YOUR ENTRIES coaches, so don't ask for changes when you do it wrong! All races will be timed finals except the 100 and 200 which will have prelims and finals. Please enter the best mark from the previous season or this season for seeding, or any mark from this season. Field events will run in flights with 3 attempts in the horizontal jumps and throws.
- Deadline:** Entries must be completed online on athletic.net no later than Monday, March 21, 5:00 PM. All entries must be done on athletic.net.
- Eligibility:** All athletes must be enrolled in CIF member schools.
- Age Divisions:** Frosh/Soph Varsity Freshman & Sophomores Juniors, Seniors & and underclassman who wish to move up – must move up in ALL events.
- Event Limitations:** 4 events per athlete. Limit of 2 entries per event per division on the track and 3 in the field for full team entries. Partial team entries will be limited to 1 entry per division in the 100 and 200, 2 in the other track events, and 3 per division in field events. Do not enter athletes who will not show! This causes significant delays to the meet AND gives us heats with empty lanes. With the Frosh-Soph and Varsity Div, this still gives you 4 athletes per gender per event on the track and 6 in the field, more than any other Invite! Everyone should be able to compete.
- Awards:** Beautiful custom medals for 1st – 4th in all individual events for all 4 divisions. Medals to the champions in relay events in each division. Awards will be given at the conclusion of each event at center field. No team awards or scores.
- Entry Forms:** Please fill out the contract and Email to Coach Nash. Entries on Athletic.net ONLY.
- Check-in:** **Running Events:** Report to the clerk (north 20 yard line, center field) no later than the start of the event prior to your event. There will be no calls for running events. Events getting hip numbers will be written on the white boards at the hipping tent. Athletes not reporting will be scratched. Make sure athletes know the order of events.
Field Events: Report directly to your event area when the event is scheduled or called. HJ and PV will be run 3 alive. All other field events will be given 3 attempts in flights of 6-8. Flights of 6-8 will be made as athletes show up at the event. If they have conflicting events,

they need to get field event attempts in EARLY – request from the head official to be put into an early flight. This will eliminate delays while waiting for athletes. Athletes do not need to wait in line for an “open pit”. They will get run-throughs prior to competing.

Please make sure horizontal jump athletes have an approach mark prior to coming! Do not have athletes running the WRONG WAY on the runway to get a mark. They will be disqualified for this in accordance with CIF rules.

Protest:

Please discuss the matter with the meet director, Todd Nash, as soon as you are aware of an issue. Do not talk to event officials. Bring it to Coach Nash.

Concessions:

A full concessions stand will be available at the track with excellent, reasonably priced food and drinks from the morning through the end of the meet.
