### Thanks, Thanks, Thanks

These lists would not be possible without the help of track and field supporters like Don Jones, George Green, Rick Smith, Buzz Thom and dozens of others. Thanks to Phil Grooms for his brilliant photos. Rather than mention everyone, let's just say this is a labor of love by a lot of people who still find high school track the most exciting of all sports. No part of these lists can be duplicated without the expressed written consent of the editor.

## 2021—FOUR SECTION RECORDS IN A STRANGE YEAR

There are two ways of looking at the 2021 track and field season.

One, there were quality performances in almost every event, leading to four section records and if you counted the Arcadia California State Championship meet as a state meet, not as the invitational it was, then you saw San Diego Section athletes in eight events walk away with gold medals.

Or, you can look and see there wasn't a single full invitational but there were championships in three divisions and, at the last minute, an Open Championship. But no CIF State Championship meet for the second straight year.

Four section records in a single year shows the strength of the section.

Both the boys and girls' pole vault standards fell with extremely high-quality marks.

No boy had ever topped 17-feet, but La Costa Canyon's Garrett Brown did it three times, the last at 17-2 in the Division II championships. Rancho Bernardo's Ashley Callahan was pushed to add a full foot to her previous best of 13-6, clearing 14-feet, then 14-3 and then 14-6 to beat junior Del Norte junior Allison Leigh, who cleared 14-feet.

San Pasqual's Elise Miller erased one of the section's oldest standards when she took down the triple jump record of 41-8 ¼ set by Granite Hills' Jackie Anderson in 1987 by bounding 42-3 ½ at the Division I championships. She not only broke that record, but she won four individual events—the long jump at 19-4 ¼, the high jump at 5-4 and the 100 hurdles in 14.15—the first section athlete since three-time Olympic gold medalist Gail Devers of Sweetwater who quadrupled in 1984.

Scripps Ranch junior Aaliyah McCormick blazed to a time of 13.85 seconds in the 100-meter hurdles at the Division II championships, .01 faster than Cathedral Catholic's Dani Johnson's record in 2015.

At the Arcadia end-of-season meet, there were even more impressive performances, some of which figure to carry over to this season.

San Diego High's Charlyze James was fastest in the McCormick-less 100-meter hurdles in 14.10, meaning the two will almost certainly have several opportunities to go head-to-head in 2022. In the boys' 110 hurdles, Poway senior Maxwell Jefferson was just as successful, collecting the gold medal after running a PR 14.23.

Madison senior Aysha Shaheed, who is now at Cal, was the only double winner at Arcadia, sweeping the 100 (11.68) and 200 (24.07) two years after fellow Warhawk Kenan Christon did the same thing for the boys.

The distance runners had their star as Sage Creek junior Stormy Wallace made a bold move early in the 3200 and never was threatened, clocking her best time of 10:31.65, smiling broadly as she broke her sister Skyler's school record 10:33.10 and moved to No. 3 on the all-time list in the process. The top 10 runners in that event return.

In the girls' field events, Del Norte's Noelle Elkinton, who headed off to Cornell, came up with the best shot put toss of the meet, hitting 42-11 ¼ for the gold, just off her best of 43-10.

The Mission Hills boys proved the fastest in the state in the 4x100 relay as the foursome of Quinton Chapman, Lamar Smith, Nick Capezzone and Kyle Smith sped to a time of 41.56 seconds. As is often the case, slick baton-passing was the key.

Poway's Tessa Buswell made a huge splash for a freshman, leading the section in the 800 at 2:11.61 and the 1600 at 4:56.90.
